

## **The Autobiography of Jayashali (After an appeal from benefactors)**

I am very glad to present before you the story of my life after a sincere appeal from my affectionate brethren and benefactors. I have made this attempt with an aim to diffuse the spiritual knowledge and to put my deep and stern exploration to attain this stature before the future generation, as a navigator and an anchor. This enables you to fight for God like Jayashali, successfully overcoming the obstacles on the way. My biography will come to you in series of episodes unraveling the mysteries of Bible and equip you to solve puzzling / intriguing issues easily.

I was born on 20<sup>th</sup> November 1949 to Lauras and Karunamma in Visakapatnam. When I was around 8 years old we used to reside in a hut near Allipuram. There was a railway bridge named 'Chavulamadam' near our house. Dead bodies from all over city were taken to the cemetery crossing the bridge, some with normal modesty and some with much paraphernalia. When people through coins on the bodies others would fight to grab them. My child's mind broke when I saw fire on pots and live birds being taken along with them. We, the children were so inquisitive and liked to see people moving in procession with drums. I posed many questions in this connection like who, what, where and why. Of all, I was much engrossed with the answers and illustrations given by my Christian school going sister. All those were stored in my heart like fables and stories.

The two questions that filled my introspection are – why do people cry both at a birth and a death. My sister gave a contented answer. Regarding death she said, after a certain period of existence, when death attacks the soul reaches God leaving the mortal body and other relations. Relatives cry for the loss of the body. Regarding birth: all the children will be on the loving lap of God before they were put in a mother's womb. They cry as soon as they are on the earth, she reminded me of how my younger sister cried when she was born.

Some times these spiritual queries of mine irritated my innocent and uneducated mother, but my father and sister quenched my thirst. When I was in class V, I was shifted from a Municipal school to a Christian school that was beside a cemetery. I went to the graveyard when I was at leisure, with my friends. There I saw many a time heaps of ashes with human bones and skulls some times even half burned. These scenes left scarred marks on my mind. I was engulfed with mysterious feeling and sometime terror and had sleepless nights. A remote agony haunted my mind to digest that 'man comes dust and goes back to dust'. Very soon I started feeling that the dust under my feet is nothing but relics of some mortal bodies. The hills of Visakapatnam reminded me of vast number of people buried and proving this there was not a day without a dead body being passed by my house.

My house was adjacent to rail tracks and we used to see and hear about people who met death on tracks. My inquisitive mind oscillated between a wish to go and see the dispersed organs of those bodies and a fear to face the days of insomnia, as a result. The crowds collected there in groups discussed the reasons that provoked suicides like familial problems, accidents etc, that are prime factors for death. Then there appeared flashes of questions relating to life between birth and death and after death and ultimately about truth and life.

The first thought that flashed my child's mind is the 'tragic story left by mortal body'. To chase the idea I had attended many spiritual meetings. Whenever and wherever there are Christian meetings and congregations, I attended them with my parents. Sitting in the front

row I read aloud the Bible references, mentioned by the speaker, prior to every one. The whole gathering used to have an astonishing look at me. At the end of the meeting I met the speakers to get the clarification to my doubts. But I was not satisfied with their answers, since I got multiple answers for one question.

I had a strong desire that I should have a vision and interaction with God before I commence His service, as it has been in the case of Abram, Moses and David. Since then I used to be the first to attend to fasting prayers. But unfortunately I did not have either the vision or interaction with God. In a distressed mood I questioned myself why God was so kind to others to provide his vision and had a cold eye over me. Some suggested to confess my sins and to go for constant fasting prayers. Taking those words to my heart, I spent most of the nights in prayers on Kalvari hill, Seethammadhara , beach and so on, in between opening my eyes to see whether God stood before me or not. I did it till the end of my SSLC. Yet there was no reply. I ran down both physically and mentally. My parents were worried and requested some elders to counsel me to stop these prayers.

After some days I consoled myself and went to great stalwarts in the field of Bible study, and interacted with them regarding having the vision of God. But I had no satisfactory reply. A stranger who observed my persistent quest suggested exploring the Bible, which is the only standard and authentic book of Christians that supplies the true answers to my questions. Then I had found a way to get rid of confusing multiple answers. I determined myself strongly to study the hidden truths in the Bible, keeping aside all the prayers, attending the meetings and even my academic studies. With this my parents dream to see me as an engineer, shattered.

I read the Bible with a speed of hundred chapters a day. The 66 books from **Genesis** to **Revelation** were completed in a month and I had twelve readings in a year. I made a systematic study of the Bible in the subsequent years. I classified and tabulated various topics. In the succeeding year all those were contextually put together, emphasizing who said what to whom and where and why. Later, I started illustrating why certain things happen only on certain occasions and why not always. In the following years I explored on the changes in the traditions and on how responsibilities are assigned to people in different worlds. After 25 years of such deep study I was filled with **bliss** of Bible's knowledge that was buried for centuries. Hence I wanted to diffuse the same among the children of God, declaring a war against importing spiritual bliss. In this process, I was labeled as a false preacher, anti-Christ and all the Christians, including my parents ostracized me.

In such trials God blessed me with a job and marital binding with a wife. Resuming my adventurous task in those penniless days in a rented house, I drove a sword against hypocritical Christian generation and attempted to put my knowledge to the maximum utilization. The loan fight against the evil power thus commenced is being spread through every nook and corner of the world now, illustrating and detailing the depths of God's word both to a layman and a learned scientist. I have become a terror to all the hypocritical preachers and many were flat to earth. I gave a call to all the Christians in the world to come and unite. I have strongly argued that when there is only one Father, one Jesus, one Bible and one faith why the Christianity is broken into pieces. This question made those, who have opted religion for foreign currency, livelihood and earthly pleasures, tongue tied. I fired scorching arrows towards the servants of evil spirit. Hence the present community started conspiring against the tsunami of my challenges. I am submerged in the mission of saving the innocent Christians and the world countries from the clutches of evil power. My epic mission is in force with the graduates deployed from 37 Bible colleges spread around the world. Now

it is an obligation for you to pray for these voluntary institutions. I recommend the Christians to move actively in the service of god on Sundays, instead of imprisoning them selves with in four walls. All churches should become schools for imparting the knowledge of the Bible instead of a place for collection of 1/10th of income from the members.

A doctor or an engineer before he starts his service in a profession has to go to a college or university to study for a particular period and acquire a degree. After 25 years of my hard practice, I'm able to bring out graduates in just 6 or 8 years saving them from 25 years of research and from misapprehensions and lacuna. The great revolution born in the first century, 1900 centuries back was buried at an unfathomable depth.

You have read now the struggle that I encountered to excavate that spiritual knowledge. This enables you to learn the mysteries of the Bible in shorter time and I request you to make best use of this opportunity. People who do not know the meaning of the Bible are honoured as pastors and sometimes with the title 'Reverend'. They do not possess proper qualification. Some with no certificates, some with fake certificates and some feigning as they got a call from the almighty, are cheating the innocent people with them cock and bull stories. The Christianity in the western countries had already melted away and people, leaving God, are running after their illusions. Very soon this is going to infect India too. As it is people are now in the craze of foreign wealth, had no fear of god and are committing injustice to the believers. They want Jesus only for a comfortable and luxurious life while living and for an entry into heaven after death. The whole Indian Christianity has been soaked in this delusion. Hence it is inevitable to fight against the ruined state of the world, since you hold the torch of God's word in this wild darkness.

For the last 1900 years Christianity has been torn into pieces and had innumerable branches basing on region and creed. Each congregation has been evolving its own point of view. Multiple theories came into existence proclaiming that invisible god will appear, His voice can be heard and it is enough if Jesus is believed for the needs of the world. If you, who loved God, remain irresponsible for the prevailing conditions, everyone on the earth has to go to hell without salvation on the unannounced arrival of Jesus. **The Lion's Roar of Jayashali** is the embodiment of my 25 years of research on comprehending the Bible that comprises all the knowledge and wisdom. **The Lion's Roar of Jayashali, The Intelligentsia of the World – Beware**, is the only guide for the bible as every text book had a guide. I have compiled this book with an intention that my next generation should not slip into the unfathomable depths of the underworld innocently after their death but should travel in the perennial life. For this I kept this book along with the Bible as a guiding torch, so that they will not be trapped by false teachings and misinterpretations. With accurate illustrations from the Bible I wanted that Bible should be the only answer to questions from the Bible and not man – made interpretations. I took the task of "Back to the Bible" and took the world to "Bible answer to the Bible". After presenting the present status of Christianity in the world I would like to put before you how miraculously I have been chosen for the service of God my the moment of my origin in my mother's womb.

After God's wish I was propagated in my mother's womb traveling through crores of mother's wombs. The journey has been started since time immemorial from the first man Adam. Ultimately in the year 1949 God gave me the present birth. I was much neglected by my earthly father when I was in the womb and my mother suffered from starvation and malnutrition during her pregnancy. I was sorry for my mother's state that some times she took only a few gooseberries as food to survive. Due to my

father's job we had to stay in the agency/tribal area for longer time and I had suffered at a great length from illness. As there were no proper transportation and medical facilities I slipped many a time into the hands of cold death but God saved me from all the disasters.

I want to put before you a horrifying incident that took place in my life. This incident will put before you how God's will is planned in one's life. My mother gave me birth in King George hospital in Visakhapatnam. It is the usual practice in the hospital especially in the labour ward to give a unique number to each mother and her child for identification. Hence there used to be a number to my mother's bed in the hospital and the same number is tied to my hand on an aluminum plate. Usually the nurses in the hospital wash the babies and return them to their mother's basing on the number plate. As my mother was uneducated and could not read the number, she fed a baby which was left with her for a day. All infants look alike she could not identify that it was not me. On the same day I was on the lap of another mother and had been fed by her breast. On the next day morning my mother searched for certain marks on my body and asked the nurse to check the number plate. When the nurse confirmed the displacement of the baby, my mother started crying. On a war foot the hospital management took immediate action and children were shifted to their own mothers.

My mother reminded me of this event in my life quite many times. If I had not been brought back to my original mother .... I would not have been the man of heavenly Father and I would have been distanced my self from the Almighty. I extend my deep gratitude to my dear God, for making me a tool to execute His intentions. This incident had left indelible impression on my mind. The lord had protected me from terrible conditions of being brought up by unholy conditions and environment. When I was engrossed myself with this happiness I remember the following references from the scriptures.

**Listen to me, O house of Jacob, all you who remain of the house of Israel, you whom I have upheld since you were conceived, and have carried since your birth. Even to your old age and gray hairs I am he, I am he who will sustain you. I have made you and I will carry you; I will sustain you and I will rescue you.** **Isaiah 46: 3,4**

**Listen to me, you islands; hear this, you distant nations: Before I was born the LORD called me; from my birth he has made mention of my name. He made my mouth like a sharpened sword, in the shadow of his hand he hid me; he made me into a polished arrow and concealed me in his quiver.**  
**Isaiah 49; 1,2**

**Can a mother forget the baby at her breast and have no compassion on the child she has borne? Though she may forget, I will not forget you! See, I have engraved you on the palms of my hands;** **Isaiah 49; 15,16**

**The word of the LORD came to me, saying, Before I formed you in the womb I knew you, before you were born I set you apart; I appointed you as a prophet to the nations."**

**Jeremiah 1; 4,5**

**This is what the LORD says— he who made you, who formed you in the womb, and who will help you: Do not be afraid, O Jacob, my servant, Jeshurun, whom I have chosen.** **Isaiah 44; 2**

**From birth I have relied on you; you brought me forth from my mother's womb. I will ever praise you. I have become like a portent to many, but you are my strong refuge.**  
**Psalm 71:6-7**

**But when it pleased God, who separated me from my mother's womb, and called me by his grace,**  
**Galatians 1; 15**

Who can decipher the intentions of God over creating one in a mother's womb? I wanted to live to declare what I have learned in my life and to remind that God wants you. The weight of the misery would be lightened when we share that with others. But my beloved God had sent me amidst you to share His plans and requirements with the present generation. Now you have to decide whether I should fulfill His dreams or not. Man is sent to earth to realize the dreams of God, but in the process of satisfying his own earthly and material desires man had forgotten the father. If man is under the delusion that this temporary 60 years span of life is everything how can he attain the eternal life after death that longs last.

**God's knowledge would not have been spread to many if all think"Let us eat and drink, for tomorrow we die.**  
**1 Corinthians 15;32,33**

**The body that is sown is perishable, it is raised imperishable; it is sown in dishonor, it is raised in glory; it is sown in weakness, it is raised in power; it is sown a natural body, it is raised a spiritual body. If there is a natural body, there is also a spiritual body. The first man was of the dust of the earth, the second man from heaven. As was the earthly man, so are those who are of the earth; and as is the man from heaven, so also are those who are of heaven. And just as we have borne the likeness of the earthly man, so shall we bear the likeness of the man from heaven.**  
**1 Corinthians 15;42-49**

**I tell you the truth, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds.**  
**John 12;24**

**If it is serving, let him serve; if it is teaching, let him teach; if it is encouraging, let him encourage; if it is contributing to the needs of others, let him give generously; if it is leadership, let him govern diligently; if it is showing mercy, let him do it cheerfully.**

**Romans 12:7-8**

When we speculate these words of God, one thing is transparent that God has a unique motif with the creation of each and every one of us in this generation. We should realize that we are on this earth not to eat, drink and enjoy for this short life here, but to strive for the eternal world after death where we live for ever and ever. We know that the present generation is being deceived by ignorance of the God's knowledge and being destroyed and ruined. An action plan and a strategy should be devised to deliver God's children from the trap of worldly temptation during the span between life and death. It takes our life time to succeed in this project it was written in **The**

**Acts 13;22,36,37** that David who was appointed as king to our ancestors, fulfilled the aims of our heavenly Father and served his generation and for his acts, he was taken to our ancestor's world. My humble plea to you is that though your parents bring you up without any spiritual aims, after reading this, mould your ways in this life as per the wishes of God. Propagate amidst the present generation that every one's life has deeper meaning and the dreams of our heavenly Father shall become true through our lives. As I have written to you earlier, if I had been on the lap of another mother how different my life would have been? I praise the Lord for taking me back to my mother and for his wonderful and miraculous acts in my life.

When we explore the spiritual lives of saints and prophets in the Bible in the previous generation, the obvious finding is that anomalous obstacles occurred in every one's life. I gave many illustrations of this context in my previous writings. The goddess of this era has been putting the leaders of the Lord, who had a human form on this earth, into great troubles. Either takes the life in the infant stage, trap in temptations or ultimately make them to work against God and defame Him. But those who realized the wishes of God with meticulous care saved not only themselves but even their generation. If God intends to protect every child on earth, Satan tries to push them into hell. If we want to discover the design and truth behind these trails, we should have a strong hold over the essence in the bible, which God has given us prior hand. Every person has expertise and skill in his profession, it may be a doctor who diagnosis the illness, an engineer who observes the strength of the construction or a pilot who sense the approaching danger. We should gain the knowledge from the Bible to lead the present generation from stress and strain to heaven, the abode of peace. If I had been brought up by a Muslim, Hindu, Sikh or an atheist family my life would have been at loss and many of these children would have been ruined without knowing our Father. The evil spirit that had predicted the present bliss condition had shifted me from my mother skillfully. It is the naked truth that God had flashed an idea in my mother's mind and she was able to gain me. The following sentences will reveal you the truth.

### **Why was there an attempt of infanticide for Jesus?:**

Dear reader,

The devil had tried its best in many attempts to kill Jesus at the infancy. Initially it entered Joseph's mind roused a doubt over the chastity of Mary and provoked to abandon her secretly. But at the same time an angel opened the eyes of Joseph and revealed that Mary's pregnancy is because of the blessing of the Holy Spirit and the world leader and savior of humanity will arrive. Joseph realized his mistake and decided to contribute his share of service in the noble event of Jesus' birth. Failing in this context Satan there turned to the king of that country Herod. He tried to kill Jesus with the help of three wise men. But the proposals of God are different. God planned to save Jesus with a pre reminder to Joseph and the wise men. Weakening in the task Satan provoked Herod to kill all the male offspring, below 2 years old in **Bethlehem.** **Mathew1; 18-25, 2;1-17.**

### **Why was Mosses to be killed at birth?**

Disquieting with drought conditions Jacob migrated to Egypt, where his son Joseph was living. Israelites started spreading in lakhs. But these children of God were under

torturing slavery. Their cry, to relieve them from the 430 years of hard slavery and to send them to Kanan the land of milk and honey, reached God. To keep His promise to send his children to the Promised Land he had chosen Moses. Satan ruled the mind of Egyptian king, the Pharaoh and persuaded to kill Moses at birth and obstruct him from being the leader of Israelites. He called upon the Hebrew midwives and ordered to kill every male baby of Hebrew women on the labour bed itself. But the midwives had the fear of God and disobeyed the orders letting the male Hebrew babies live. In this era Moses, the most faithful in the house of God and the humblest leader of those ages, was born. As another attempt the king issued an order to throw away the Hebrew male babies in the river. But the pretty Moses was kept in wooden box and was left in the river. As per the plan of God pharaoh's daughter wanted to adopt the child. The fort which was initially the place for the idea of killing Moses had now become the abode of Moses and was brought up in the lap of pharaoh's daughter and was moulded as a great leader.  
**Exodus 1,2** chapters

Pharaoh's daughter had an idea of giving the throne of Egypt to Moses and stopping the Israelites from migrating to their own land.

**By faith Moses, when he had grown up, refused to be known as the son of Pharaoh's daughter. He chose to be mistreated along with the people of God rather than to enjoy the pleasures of sin for a short time. He regarded disgrace for the sake of Christ as of greater value than the treasures of Egypt, because he was looking ahead to his reward.**

**Hebrews 11:24-26**

**But even the archangel Michael, when he was disputing with the devil about the body of Moses, did not dare to bring a slanderous accusation against him, but said, "The Lord rebuke you!" Jude 1:9**

If god had His own plans over the birth of every being, the devil attempts to mortify the human generation and push them into unfathomable hell. When we go deeper and deeper into the biographies of saints in the bible we can dig out the supreme knowledge. The Bible teaches one great lesson and put before you two options whether to select momentary pleasures or to face troubles in the name of God on this earth for the sake of everlasting bliss. Gideon, Barak, Samson, Yofta, David, Samuel – words are insufficient to describe the stories of these saints. They won kingdoms. Performed righteous actions, got promises from Lord, shut the mouths of lions, and were made powerful in their weaknesses. All these are done only through faith.

**And what more shall I say? I do not have time to tell about Gideon, Barak, Samson, Jephthah, David, Samuel and the prophets, who through faith conquered kingdoms, administered justice, and gained what was promised; who shut the mouths of lions, quenched the fury of the flames, and escaped the edge of the sword; whose weakness was turned to strength; and who became powerful in battle and routed foreign armies. Women received back their dead, raised to life again. Others were tortured and refused to be released, so that they might gain a better resurrection. Some faced jeers and flogging, while still others were chained and put in prison. They were stoned; they were sawed in two; they were put to death by the sword. They went about in sheepskins and goatskins, destitute, persecuted and mistreated—the world was not worthy of them. They wandered in deserts and mountains, and in caves and holes in the ground.**

## Hebrews 11:32-38

Taking the lives of saints in the Bible as role models and guidelines, I have started my expedition of as a leader to save this generation from being shattered. In this process I was not trapped by the wealth of foreign origins and was thrown out from the family and ostracized by the society. I was insulted by false preachers and had become a victim to the anger of others. For resorting to the great teachings of Jesus and apostles, I was deserted by parents and struggled with utter poverty sometimes without proper food. I have become a target to accusations by every one and to mental agony.

God, who had looked after the troubled humanity during Satan's times, blessed me with a good job that suits my mind and body, as part of his action plan. I earned sufficient for my labor in God's service and hoisted a flag of victory. Those who could not understand the conspiracy of Satan get frightened with the world's difficulties and distance themselves from God. I want my biography to be a lesson to such people.

During my arduous journey, I have found a great split in the sanctity of Christianity and am much apprehensive of duality going in the name of God. I make an attempt to bring into light how God's ideals are torn pieces.

**To them I will give within my temple and its walls a memorial and a name better than sons and daughters; I will give them an everlasting name that will not be cut off.**

**Isaiah 56:5**

**The nations will see your righteousness, and all kings your glory; you will be called by a new name that the mouth of the LORD will bestow**

**Isaiah 62:2**

**They will be called the Holy People, the Redeemed of the LORD; and you will be called Sought after, the City No Longer Deserted.**

**Isaiah 62:12**

**but to his servants he will give another name.**

**Isaiah 65:15**

**I will also give him a white stone with a new name written on it, known only to him who receives it.**  
**2:17**

**Revelation**

**I will write on him the name of my God and the name of the city of my God, the new Jerusalem, which is coming down out of heaven from my God; and I will also write on him my new name.**

**Revelation 3:12**

We can infer from the above said references that as God has given an oath and spoken through prophets that in the coming ages God would give a new name to every one who had adopted Jesus either from Israelites or Heathens. It is remarkable to give the same through the words of John in the last book. I have undertaken a deeper exploration of scriptures to find out the new name, what lord wants to give to his children. We see in the Bible during the times of Jesus and Apostles, there were Sadduca Parissai, pastors as disciples of Jesus. In the new testament we see disciples of John, Jesus etc., .Apart from these we also see in the names of gods, as disciples of Arthemidevi, Beljebul etc., Every one is named after their teacher. While I was reading the Bible the name given by god through the word of prophets is ...

**Initially the disciples in Anthiyokaya were called as Christians. The Acts 11:26**

**Agrippa--- you are trying to make me a Christian easily.**

**The Acts 26;28**

**However, if you suffer as a Christian, do not be ashamed, but praise God that you bear that name.**

**1 Peter 4;16**

When I read the above sentences my heart was filled with joy. Those who were believed and accepted Christ, who was sent by the father, are named after Christ as Christians. The other books in the Bible reveal that it is only through Him one can have forgiveness for sins, entry into the heaven and have interaction with the Holy Spirit. All the three worlds shall kneel down in the name of Christ. The following sentences reiterate that:

**Salvation is found in no one else, for there is no other name under heaven given to men by which we must be saved." Acts 4:12**

**Therefore God exalted him to the highest place and gave him the name that is above every name, that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father.**  
**Philippians 2:9-11**

As people are split in the name of caste, creed, religion, there is fraction among Christians against the desires of the father; the evil spirit brought divisions in the Christians on the basis of casts, groups, organizations and institutions, and erased the name given by God. Their minds eyes are made blinded by the goddess of this age, from identifying the great truths revealed in the Bible. It started its task of dividing Christians just with in 25 years after the death of Christ. Paul who could not bear the split of Christians said the following words...

**I appeal to you, brothers, in the name of our Lord Jesus Christ, that all of you agree with one another so that there may be no divisions among you and that you may be perfectly united in mind and thought. My brothers, some from Chloe's household have informed me that there are quarrels among you. What I mean is this: One of you says, "I follow Paul"; another, "I follow Apollos"; another, "I follow Cephas"; still another, "I follow Christ." 13Is Christ divided? Was Paul crucified for you? Were you baptized into the name of Paul?**

**1 Corinthians 10-13**

I can guess that you will be surprised to know that those who believe Christ have to be under one name and one umbrella, but were divided into groups in the name of individuals; on selfish provocation and motifs. In this society those who believe in Christ are formed into groups and are called 'believes'. But one inevitable question arises here that whom do they believe? To avoid this situation and question, God has given new name- "Christians". The devil had succeeded in dividing them and blinded them not to know whose believers are they. It is some times more ridiculous that the societies are named not after Christ but after the one who preaches them the work. For example if some are called as societies of Pentecost, Bhakt Singh, Brenham, some are named as St John, St. Mary, St. John ,though every one is bought by the blood of Christ. The evil spirit was not satisfied with this and separated them basing on different doctrines and resolutions framed by that particular group and it had taken away the base, the Bible from them. Now they are named like Baptists, Lutherans, Seventh day, RCM etc. They carry the Bible only as an embellishing ornament. Their doctrines are not from the Bible but framed by their own knowledge and they framed convenient resolutions. The devil had defamed and negatively projected the word of God.

God who predicted the multiple factions had sent prophets, prophesying this even before Christ. God intended to remind the humanity regarding diplomatic deceitfulness of Satan.

**For you this whole vision is nothing but words sealed in a scroll. And if you give the scroll to someone who can read, and say to him, "Read this, please," he will answer, "I can't; it is sealed." Or if you give the scroll to someone who cannot read, and say, "Read this, please," he will answer, "I don't know how to read." The Lord says: "These people come near to me with their mouth and honor me with their lips, but their hearts are far from me. Their worship of me is made up only of rules taught by men.**

**Isaiah 29:11-13**

**My people come to you, as they usually do, and sit before you to listen to your words, but they do not put them into practice. With their mouths they express devotion, but their hearts are greedy for unjust gain.  
Ezekiel 33:31**

**He replied, "Isaiah was right when he prophesied about you hypocrites; as it is written: " 'These people honor me with their lips, but their hearts are far from me. They worship me in vain; their teachings are but rules taught by men. 'You have let go of the commands of God and are holding on to the traditions of men.'" And he said to them: "You have a fine way of setting aside the commands of God in order to observe your own traditions! Thus you nullify the word of God by your tradition that you have handed down. And you do many things like that."  
Mark 7; 6-9, 13**

**Since you died with Christ to the basic principles of this world, why, as though you still belonged to it, do you submit to its rules:  
Colossians 2;20**

**This testimony is true. Therefore, rebuke them sharply, so that they will be sound in the faith and will pay no attention to Jewish myths or to the commands of those who reject the truth. To the pure, all things are pure, but to those who are corrupted and do not believe, nothing is pure. In fact, both their minds and consciences are corrupted. They claim to know God, but by their actions they deny him. They are detestable, disobedient and unfit for doing anything good.  
Titus 1: 13-16**

**As I urged you when I went into Macedonia, stay there in Ephesus so that you may command certain men not to teach false doctrines any longer, nor to devote themselves to myths and endless genealogies. These promote controversies rather than God's work—which is by faith. 1 Timothy 1;3,4**

Satan had made these so called believers to have their own scriptures inscribing their doctrines and opinions. Hence the world's Christianity was broken into thousands of sects and in result even the Bible's knowledge is also split. The Bible's concepts are buried and man-made preaching has come into existence shattering the faith of the believers. When I discovered that this is one mischief done by Satan, pushing every one into the veils of hypocrisy, I declared war against them. For four decades the struggle has been going on with great determination to remove the clutches of evil spirit over Christianity. For this I was insulted, hurled criticism and was teased as

one who was taken away by the devil. And this is being propagated among innocents.

**There is one body and one Spirit—just as you were called to one hope when you were called— one Lord, one faith, one baptism; 6one God and Father of all, who is over all and through all and in all.**

**Ephesians 4: 4-6**

**My prayer is not for them alone. I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you. May they also be in us so that the world may believe that you have sent me.**

**John 17:20, 21**

Can you, as the readers justify the acts of these split Christians even after reading the prayer of Jesus, which was made 1970 years ago, that all those who believed Him through the word should be united. As the saying goes that “truth is bitter and against this world”, the so called namesake Christians without correcting themselves, showing a pointed finger over my teachings and blaming me. As readers you need to judge this. Since last 1900 years they have been cheating innocent people, looting those crores of rupees. Instead of being role models to the societies, they have been exploiting Christians being false shepherds and hypocritical. Is it right to accuse me? Even after centuries of reading the bible they failed to bring change in the congregation.

In the second century Martin Luther had brought a false revolution blaming that Roman Catholics were not perfect and formed a new parishioners having Lutheran Mission. Protestants’ revolution too took wrong routes and spread into innumerable branches. To give in one word that was not a revolution. If you read the Bible in depth you can understand what is a revolution and how should it be? With in a century, soon after 25 years of Jesus death, the revolution which was started by Apostles was suppressed. The following sentences would reveal the motif of the Apostles and the disciples, dedication and action plans to remind and motivate the society in those days.

**Beloved, when I gave all diligence to write unto you, and exhort you that you should earnestly contend for the faith which was once delivered unto the saints – for there are certain may crept in unawares.**

**Jude :3,4**

**I marvel that you are so soon removed from him that called you into the grace of Christ into another gospel. And that because of false brethren unawares brought in, who came in prosily to spy out our liberty which we have in Christ Jesus.**

**Galatians 1;6, 2:4**

Though alert reminders regarding the false preachers are given, Christians have ignored them. This is the stand of present Christian priests. I wanted to revive the suppressed revolution of 1900 years back. Instead of leading this revolution, the hypocritical shepherds of today are trying to find fault at me. Is this to mortify the revolution or

to continue this? I request the vast number of readers to support me, and infuse in me great strength in this regard. Our father's dreams, the sacrifice of the son and the company of the Holy Spirit should not go in vain. We will earthen the namesake Christianity. We condemn the fanatic religious statements of the priests with the sword of the word. We will drive away the evil spirit. This is the prime war time. We enter this world not to take rest but to strive incessantly and to reach our father in the other world.

**In their greed these teachers will exploit you with stories they have made up. Their condemnation has long been hanging over them, and their destruction has not been sleeping.** 2  
**Peter 2:3**

**Whatever happens, conduct yourselves in a manner worthy of the gospel of Christ. Then, whether I come and see you or only hear about you in my absence, I will know that you stand firm in one spirit, contending as one man for the faith of the gospel 28without being frightened in any way by those who oppose you. This is a sign to them that they will be destroyed, but that you will be saved—and that by God.**

**Philippians 1:27,28**

**We proclaim him, admonishing and teaching everyone with all wisdom, so that we may present everyone perfect in Christ. To this end I labor, struggling with all his energy, which so powerfully works in me.**  
**Colossians 1:28,29**

**For it is God's will that by doing good you should silence the ignorant talk of foolish men.** 1  
**Peter 2:15**

To this day Christians are in crores and the preachers are lakhs in number. You tell me what is the justice that these people are doing for the Christianity for these 1900 years? The false preachers are blooming around and breeding fast but the truth given by Christ is not. If some say that injustice is being done to people some say that injustice is done to caste. People are striving for the cause of injustice done to regions, castes and religions but no one is bothered about the injustice being done to the dreams and words of God poised in the bible. They are being titled as millennium great men. They have robbed the doctrines from the Bible and have been propagating as of their own. For this reason I put them before the world openly as "millennium Noblemen Who Robbed the Bible". I combed the world and haunted all the false preachers, left no one and brought them before public. I did not try to escape, but declared that the war is of the God and plunged into the war field. Though there are lakhs of soldiers in the army of Israel, they keep their head down when Goliath, a Philistine scolded them. When Jehovah, the leader of the army was blamed, without any feeling they kept quit. David, though he was a boy could not keep himself silent but cut the head of Goliath. For this the emperor Saul wanted to kill him. If it was the history of ancient days, in the contemporary period, being jealous of my victories these false preachers are obstructing my rebel. By this time you might have observed how much truth is there in my writings, songs, speeches and warring strategies in my challenges. Before completing this episode I put before

you two options either to support my fight to continue or hinder it to go to the unfathomable depths of hell.

I would present before you that how God made me a warrior to fight on His behalf and gave victory over the enemies and made me 'Jayashali'.

The Pentecostal society was found in the year 33 AD in Asia taking the genealogy from the Holy Spirit through Apostles in Jerusalem, which is the country of Israelites. On that particular auspicious day for the first time in the history around 3000 of Jews were attracted to the sermon given by St. Peter and they formed the society. Jesus is named as king of empire and head of the society. Because, Jesus who won the death, told his disciples that

**Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."  
Matthew 28:18-20**

**For he has rescued us from the dominion of darkness and brought us into the kingdom of the Son he loves,  
Colossians 1:13**

It is quite obvious and transparent from the words of God that as the Father had declared through His prophets in those days now the kingdom of Christ is established on the earth

**In the time of those kings, the God of heaven will set up a kingdom that will never be destroyed, nor will it be left to another people. It will crush all those kingdoms and bring them to an end, but it will itself endure forever.  
Daniel 2:44**

The conspiracies have begun after 25 years of establishment of the kingdom with the image worship in the name of Kepha, Appollo, Paul and Christ. When the great human empires are destroyed by the Father in the heaven, the God's kingdom on the same earth is being destroyed by the devil with its followers. Christ has obtained sovereignty over the earth and heaven, had sacrificed his life for the sake of establishment of God's kingdom. But Satan with his malignant strategies makes the sacrifice through crucifixion in vain and deceived the believers.

**This matter arose because some false brothers had infiltrated our ranks to spy on the freedom we have in Christ Jesus and to make us slaves.  
Galatians 2:4**

**I know that after I leave, savage wolves will come in among you and will not spare the flock. Even from your own number men will arise and distort the truth in order to draw away disciples after them.  
The Acts 20:29,30**

**I am astonished that you are so quickly deserting the one who called you by the grace of Christ and are turning to a different gospel—which is really no gospel at all. Evidently some people are throwing you into confusion and are trying to pervert the gospel of Christ.**  
**Galatians 1:6,7**

**They must be silenced, because they are ruining whole households by teaching things they ought not to teach—and that for the sake of dishonest gain.**  
**Titus 1:11**

In the year 60 AD itself the Christ's rule was wiped out and indifference to the Bible's doctrines, blood sheds in the name of caste, creed and religion took place. When "The Bible that Superseded All Sciences", a revolutionary pamphlet was being distributed by Praveen to a society in America, one of the members obstructed and questioned whether he had taken permission for the distribution. The people who have to appreciate the marvelous pamphlet themselves asked to obtain permission. It is clear once again that power and authority in the society is not that of Christ but that of false preachers who work under Satan.

As every being has a house, so are innumerable groups throughout the world are formed against the Bible and God, under the guise of disciples that are following Satan. The priority is given not to the doctrines of Bible but to the older people and to framing tradition and customs. They are surviving not on the clarifications and illustrations given in the Bible but to the patterns constructed as per the convenience of their organizations. Within the organization they give themselves to marriages, have children and engage themselves in celebrations and festivals. Though a few learn the truth, they could not leave the kith and kin in the society for the sake of that truth. But they are departing God and getting ready to go to hell. Even the elders who have to protect the younger generation, are consciously spying them and diverting them from realization of facts, with the fear that they may desert them. Ultimately all the organizations of God are adapted as social clubs. They are leading lavish and luxurious lives both in native country and abroad. They obsessed themselves with births and deaths, marriages and divorces and become useless to God's service. When they could not understand the validity of forming a kingdom or a society, how can they understand the sacrifice in the crucifixion.

Why God has formed a society through his son Jesus Christ? Can the today's groups think of the motif of God behind this? These ignorant crowds are under the delusion that they can eat and enjoy throughout the life and sins committed will be forgiven by Jesus and God has sent Jesus only for this reason. And today's Christians believe that there are not any spiritual tasks to be obtained during the life but only to enjoy and it is enough if one believes God before death, to enter the eternal world. The false preachers who sensed the pulse of these hypocritical Christians, started looting them both at home and outside. In the name of blessings they have many collections as the saying goes that a beggar will have more number of dishes than one who cooks.

I pleaded God to show me a way to change this poisonous, adulterated hypocritical Christianity. I prayed God to show me an idea to deliver the people who were tied up in the name of groups, fellowships, societies and organizations. Some of the brethren who walked with me for some time, very soon reached their own nests.

Yielding themselves to love for kinship, image worship and personnel constrains, they migrated to their own groups in shorter time.

These false preachers and societies laughed at my loneliness. They considered it as their strength. They condemned my ideas and said they have been following the traditions and customs that have been passed as heredity through all these ages. And what has been passed through generations is truth and what comes in between would be left on the way. They insulted me, accused me with false allegations and obstructed my every step. Yet, without shaking and giving a way in to fear, I could not resist myself declaring the dream of the Lord as given in the Bible 1900 years back and the sovereignty of Christ. Poverty, difficulty, affront and agonies could not stop me from hoisting the victory flag over the world's peaks and did not turn back. From the moment I laid my hand on the plough everyone had abandoned me including my parents, except my wife. The only cosmic power that gave the sufficient strength to fight against these odds in my loneliness is my heavenly Father. For this reason, my revolution did not stop. I started conquering the satanic groups with sharp word sword without fatigue. I give below some of the words which comforted me in the times of adversity.

**To him who overcomes and does my will to the end, I will give authority over the nations—'He will rule them with an iron scepter; he will dash them to pieces like pottery'— just as I have received authority from my Father. Revelation 2:26,27**

**Who has stirred up one from the east, calling him in righteousness to his service? He hands nations over to him and subdues kings before him. He turns them to dust with his sword, to windblown chaff with his bow. Isaiah 41:2**

The influence of God's words persuaded me to fight against the ignorance of the world with as though I am infused with a strength of thousands elephants.

**For it is written: "I will destroy the wisdom of the wise; the intelligence of the intelligent I will frustrate. Where is the wise man? Where is the scholar? Where is the philosopher of this age? Has not God made foolish the wisdom of the world? For since in the wisdom of God the world through its wisdom did not know him, God was pleased through the foolishness of what was preached to save those who believe. Corinthians 1:19-21**

For this reason I opted for a new route to stand as one and the only challenger. I bound myself to the word of God that one should feel proud only at God.

**No, we speak of God's secret wisdom, a wisdom that has been hidden and that God destined for our glory before time began. 8None of the rulers of this age understood it, for if they had, they would not have crucified the Lord of glory. 1 Corinthians 2:7,8**

The false preaches accused me that my sermons are incorrect and I was gripped by the evil spirit. I wanted them and the hypocritical Christians who believed them to turn my side. With this speculation I have declared war against the wisdom of this world.

***1.Veerabrahmam – the author of “The Bible Bandaram”***

I have taken the source from the atheist writings Foot, Ball that aimed at abusing the Bible. A book named “Bible Bandaram” (Bible Fallacy) was released in Andhra Pradesh by N. Veerabrahmam who was the member of the Indian atheist society. He hails from Chirala. The then state government and High Court gave a verdict against it. But later he, with the support from atheists and rationalists filed a suit against Bible in the Supreme Court. The court has given a positive judgment and the book was released throughout the India. All the organizations, societies and preachers were not courageous enough to speak against the court’s judgment. Nearly for three decades the atheist societies conducted national and international conferences celebrating and declaring that there is no existence of the God. They found fault with all the religious scriptures, including the Bible. Just as Israelites along with king Saul remained silent, stepped back with fear, when Philistines shouted at the words of Goliath, these Christians in India bent down their heads with shame without protesting against atheists. Saying that Jehovah Ere the war is of Jehovah, they convinced their inefficiency and inability. I invited Mr. Veerabrahmam in the year 1988 to get ready for the war against the decree of Supreme Court. I came to know that it is only in the people’s court I have the authority to argue against the verdict. In the year 1989 I have blown for the commencement of war on behalf of Christ, in Vizianagaram.

## **2. Ravipudi Venkatadri the Head of Atheist Society**

### **In the beginning God created the Heaven and Earth Genesis: 1:1**

With a loose tongue he said the Bible started with this lie. Different scientists and their sciences are the source for the arguments raised by these atheists and rationalists. These scientists frequently raise controversies accusing all religious scriptures. They think that Bible is also a religious book and they can win over any argument. With this false impudence in many national and international conferences they burnt many a time Bible and destroyed them under their feet, commenting sarcastically. It was so unfortunate that the Christians in India felt sorry for the damage caused to their emotions and prestige but did not fight against allegations made against the Bible.

When I studied the situation I invited the atheist president Ravipudi Venkatadri challenging his accusations. I wrote a letter to him saying that I can prove the statement that **In the beginning God created the Heaven and Earth** only with their sciences. It is a naked fact that I can prove it and defeat him. He responded to my letter and fixed the date 1<sup>st</sup> May 1990 at 6 pm for the cross arguments at Sanford Grounds. He said that I should get ready for the fight. As it was planned Sanford Grounds was ready and packed with public, police and judges. Supporters of both the groups turned up in thousands from Visakhapatnam. Vizianagaram and Srikakulam districts. Mr. Venkatadri alleged me of being mad and the judges on the dais conducted medical tests. When the doctors declared that I am physically and mentally healthy, as they call in the court Mr. Venkatadri was called on. But he was missing from the place and the police informed the judges that he was admitted in the Apollo hospital with heart attack complaint. Judges declared the ‘Passover’ of the ex party and introduced me to the public as ‘Jayashali’. Some of the organizations that ostracized me once started inviting me to give lectures among them.

## **3. Dooms Day, The Future Knowledge- Dr. Ved Vyas IAS, Ph.D**

Ved Vyas is an astrologist who forecasted the future of many eminent political leaders, studying their palmistry. In this book he wrote that Jesus at the age of 12 stealthily entered Kashmir in India by a bullock cart, had his education at Buddhist monasteries and returned to his country. Newspapers and magazines published in many languages the comments made by the world historians like Hussanian, Nothvitch, Kiev, Kaston. They said Jesus was not in his country from the age of 12 years to 30 years. He stayed in India, got married and had children. If we observe the situation abroad they made many films with false creations that Jesus had relations with many women, got married and had children. With these horrible fictitious stories they wanted to throw mud over the believers. Such terrible stories and descriptions took their place in the internet. Recently in a photo published by 'Saakshi' news paper Jesus had a cigarette in one hand and liquor glass in another. The response of the Christians is not in a proper way. Instead of declaring war on the world's dais and defeat the main promoters of these false allegations, they are destroying the government property, publication buildings and participating in dharnas and rastaroko's. They are sharing not the love of God but revenge. We observe that before diagnosing a disease doctors finalize where, when and how it started in the body and then give the treatment. This method helps the patient to recover soon. On the same lines if we identify the people who prime cause for defaming Christ. We can reverse them openly amidst public, defeat them with truth and make them, accept who is right. Only on that day we can do justice to God.

Veda Vyas declared that the world is going to have its doomsday in the year 1999, which has been proved false. In the year 1994 he was invited for open argument at grounds behind the Alpha hotel, opposite to Secunderabad railway station. Though he was near by he could not attend the challenge. Meanwhile 1999 has arrived, the world is alive but he is not alive and had to leave the world.

#### **4. Ahmad Dedat, President, Islamic International Propagation Centre, Durban, South Africa.**

Ahmad Dedat is the one who boasted himself and challenged that with in two minutes he can argue with any Christian and prove that the Bible is wrong and throw the Bible out. He said he can do that in any court in the civilized countries of the world. Responding to these nearly 13 members from different countries went to Durban to face the challenge but failed bitterly in Dedat's arguments. If any one is interested in reviewing the cross arguments with Deedat, he used to send the video cassettes free. People, who observed me staying victorious, showed me the cassette and asked me to take up the case and argue for the sake of God. Since then I started making correspondence with Ahmad Dedat. You can see them in the book "The Lions' Roar... ". In 1995 there was an open challenge between us at PWD grounds, Vijayawada, on the issue 'Is Christ crucified'. The chief judge for my argument was retired personnel who was sent to Africa from Indian government. The agreement made between Deedat and my self was that who ever could not attend the argument should accept the defeat. I said that was his last challenge, his defeat was sure and I should baptize him amidst people. As expected, lakhs of Christians and Muslims came to Vijayawada on 6.6.95. The police battalion is struck by the huge mass gathered there. When I was on behalf of the world Christians, Deedat did not attend the meeting. This was joyous news to all Christians. All those who were defeated by him in the previous meeting called on his office in Durban with a winning spirit. The 72 years old Dedat was mentally stricken and was under coma. On knowing this, the king of Saudi brought him to Riyad and made arrangements for special treatment to him. However strong the medical aid is, he had to experience the wrath of God and died. Since that day God put me on the highest pedestal as 'one and the only

international challenging speaker' I was put on the peaks of fame. This is the blessing of my beloved Father. If I go on detailing every thing, I have to compile epics.

You all know that Dvincy code is the move made by Brown Greser, basing on the novel Don Brown, against the Christians. I have thrown a challenge to Sony pictures, the writer and the producer on behalf of the Christians. I made antichrists tremble and sweat with two episodes on TV9 speaking on 'Jayashali's Lion's Roar on Dvincy Code'. I have thrown another challenge to the world scientists that I can keep them down, through a talk in MAA TV, which ran in 16 episodes. I invited the young scientists in NASA and European space agencies for fight. I promise the world Christians that who ever it may be, how ever eminent person may be, if his speaks against bible I can speak on behalf God and have a sure victory.

**Like arrows in the hands of a warrior, are sons born in one's youth. Blessed is the man whose quiver is full of them. They will not be put to shame when they contend with their enemies in the gate. Psalm.127:4,5**

**Whatever happens, conduct yourselves in a manner worthy of the gospel of Christ. Then, whether I come and see you or only hear about you in my absence, I will know that you stand firm in one spirit, contending as one man for the faith of the gospel. Philippians 1:27**

**To this end I labor, struggling with all his energy, which so powerfully works in me. Colossians 1:29**

**For it is God's will that by doing good you should silence the ignorant talk of foolish men. 1 Peter 2:15**

**It is right for me to feel this way about all of you, since I have you in my heart; for whether I am in chains or defending and confirming the gospel, all of you share in God's grace with me. Philippians 1:7**

**Paul entered the synagogue and spoke boldly there for three months, arguing persuasively about the kingdom of God. Acts 19:8**

After probing into the above words, I have established Bible Open University India – International as the one and only university in the world imparting the knowledge of the Bible which we find no where. With this I have been producing many Jayashalis through this university. To fulfill the dreams of my father, I stood on the highest pedestal, without bending my head to the world but only to the truth. I fell humbly on the lotus feet of the Lord for making His dreams come true. I have been brining into light the rebel which was suppressed after the first century till 1900 years, the truth which was buried, the essence of Bible or the hard work of our Father.

Come out and make yourself free from the bondage of the hypocritical preaching and join your hands on these last moments. Participate as the warriors of truth. Be ready to face hardships, tears and to sacrifice life for the cause of truth. I would conclude the story of myself reminding every one of us how God wants us to be.

Every one in his life time, one day or the other will try to pose his individual greatness man's heart is a dangerous factory of egocentricity. It produces the most fearful and terrible

thoughts that create critical situations. They do not have any difference of age, caste or religion. We should not forget one thing that is produced in the name of God. This is most hazardous out of all that - religion usurping the power of the country. This infection spread from India to other world countries. In the name of crusades millions of innocents are becoming victims. Acquiring power in the name of God is paving a way to large scale massacres. My idea of making the children learn the Bible in detail and making them rich in the spiritual knowledge brought me innumerable troubles. Even the people who learned spiritual knowledge from me are propagating against the Bible Open University. The reason for this is power fight. All these power mongers do not try to acquire the greatest knowledge but copy a few words from others and use them for grabbing the powerful seats of authority. For me it has taken 25 years to acquire hold over the Bible and its meaning. They name themselves as great preachers with in 25 months. I am keeping before you my experience so that in future when such things arise, you should not get discouraged and feel sorry for the incidents but go ahead. It is written in the Bible that, the wild wolves came from you. These people learned from me. But being tempted by monetary benefits and keeping power acquisition as the main goal they turned against me. They are struggling to prove their entity. The fight with the inmates is more difficult than with the outsiders, for god's servants; because of these few many are guided in the wrong direction in the name of service and being led to everlasting fire and castigation. The pot would not shake when either it is full with water or empty. Only when it is half full it shakes slips and breaks. Those are the people who had half knowledge about God. Many who fought against me vanished in time. I am warning you to be conscious of these people. I keep before you some of the references given by God in the Bible, regarding this context.

**If anyone teaches false doctrines and does not agree to the sound instruction of our Lord Jesus Christ and to godly teaching, he is conceited and understands nothing. He has an unhealthy interest in controversies and quarrels about words that result in envy, strife, malicious talk, evil suspicions and constant friction between men of corrupt mind, who have been robbed of the truth and who think that godliness is a means to financial gain.**

**I Timothy: 3-5**

**Which some have professed and in so doing have wandered from the faith.**

**Grace be with you.**

**1 Timothy**

**6:3-5, 21.**

**Avoid godless chatter, because those who indulge in it will become more and more ungodly. Their teaching will spread like gangrene. Among them are Hymenaeus and Philetus, 2 Timothy 2:16,17.**

**Alexander the metalworker did me a great deal of harm. The Lord will repay him for what he has done. You too should be on your guard against him, because he strongly opposed our message. At my first defense, no one came to my support, but everyone deserted me. May it not be held against them?**

**2 Timothy 4:16, 17.**

As it is given above they do not have deep knowledge of Bible. With the little knowledge they have, they consider themselves professors and stalwarts in the field and crave for supremacy. They hold the Bible not for the sake of divinity, but for livelihood. For such people a comfortable life on the earth is significant than a place in the Heaven. After learning a few words, with over confidence they rebel against their own teachers. They poison the minds of their colleagues and exploit them for their

selfishness. May be this is called deceiving the teacher. During the initial days similar incidents took place and God had given them for us in writing, as reminders. We need to observe such members carefully and take care not to admit false steps. Prosperity is possible only when we read and learn from the Bible regularly.

**In the following directives I have no praise for you, for your meetings do more harm than good. In the first place, I hear that when you come together as a church, there are divisions among you, and to some extent I believe it. No doubt there have to be differences among you to show which of you have God's approval.**

**1 Corinthians 11:17-19.**

**Woe to the world because of the things that cause people to sin! Such things must come, but woe to the man through whom they come!**  
**Matthew 18:7.**

**Jesus said to his disciples: "Things that cause people to sin are bound to come, but woe to that person through whom they come."**  
**Luke 17:1.**

**Even from your own number men will arise and distort the truth in order to draw away disciples after them.**  
**Acts 20:30**

**First of all, you must understand that in the last days scoffers will come, scoffing and following their own evil desires.** **2**  
**Peter 3:3.**

**But there were also false prophets among the people, just as there will be false teachers among you. They will secretly introduce destructive heresies, even denying the sovereign Lord who bought them—bringing swift destruction on themselves.**

**2 Peter 2:1.**

When I probe into the above references, I come to know one thing that, from the time I started God's service many were mesmerized by my talks, learned a few things from the Bible. But in a few days they went into the world deserting me and assuming that they have learned everything. To their little knowledge they add a few of their own ignorant words and misguide the audience. They buried themselves in utter selfishness and are making their lives on the Bible. We should remember that because of such people there will be a rupture in the spread of God's words. They had incomplete learning from me. It is only to be called as great prophets. They are leaving in between and getting lost. They are craving for pomp and prosperity. They confer themselves doctorates, degrees, titles and add before their names 'Rev...'. These titles were not presented by others. It has become normal and routine for them to depend upon their own knowledge instead of on truth. If you are not careful of such ones, they spoil the families. These people do not have proficiency over Bible. Being blind they declare that they can show way to the blind. I have been in much difficulty and insult because of these people who worked for some time with me. They entered as mild cats and turned ultimately as wild animals that suck blood.

Whenever I think of these people my mind gets distressed. Pretending the fear of God they started digging pits behind me. When I have a deep speculation over the happenings around me I found one reason. That is, they wanted to blemish the one who taught them. They have malignant targets and observe that they are conspiring against me. I do not serve any punishment for these people but pray for them. In fact I found heavy crop to be harvested and asked for good number of harvesters but I found the robbers of the crop. As the defender eats away the dependent, if the servants steal the things in the house how can I save them. Satan had observed the progress in all angles and sent the false workers as agents to my revolution. After getting trained and graduated here they start becoming malevolent towards God's service. I'm getting disheartened day by day since I have been failing in safeguarding the rich harvest and my attempts are becoming vain. Along with the thirty seven colleges of Bible Open University, India- International, there are many Bible research centers. Only 25% of these people are working for God in faith but the remaining 75% is fighting for influence and misusing the authority among public. If one separates from me and starts another university. Another started establishing another university and going behind everyone asking for help. I remembered God's words that your coming to me is only for something bad and not good. Can they run a university without the knowledge of Bible? I was much contended with what God had said that weeds are also sown along with seeds in the field. I realized that all the societies, organizations and branches are established not for the sake of service to God, but to establish themselves. Man has learned how to exploit God and others for his selfishness, and also understood that they would not die for the sake of God.

The ailment of boosting oneself and wishing to be high over others and ignoring the power of God in this respect is existent among human beings. This illness did not leave even the twelve disciples chosen by Christ, the father of this century's revolution. This has been diffused more powerfully than God's word. One who is self obsessed try to eat away even the teacher, who taught him life. If people do not realize how grievous mistake that is the damage is sure for the humanity. From the day one invites this self worship, one's count down starts. The realization of this is important. All who wanted to grow in the knowledge of God will be at least once trapped by this temptation.

**Then the mother of Zebedee's sons came to Jesus with her sons and, kneeling down, asked a favor of him. "What is it you want?" he asked. She said, "Grant that one of these two sons of mine may sit at your right and the other at your left in your kingdom." "You don't know what you are asking," Jesus said to them. "Can you drink the cup I am going to drink?" "We can," they answered. Jesus said to them, "You will indeed drink from my cup, but to sit at my right or left is not for me to grant. These places belong to those for whom they have been prepared by my Father." When the ten heard about this, they were indignant with the two brothers. Jesus called them together and said, "You know that the rulers of the Gentiles lord it over them, and their high officials exercise authority over them. Not so with you. Instead, whoever wants to become great among you must be your servant, and whoever wants to be first must be your slave—just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many."**

**Matthew 20:20-28.**

The treatment for the above mentioned ailment is given in the Bible through a modest act of Jesus washing the feet of his disciples. It is said by him that one who considers

himself high will be made low and the one who is humble and modest will be made high. For this reason His name is on the higher position than every one on the earth and in the other worlds for this dangerous disease the apt treatment is given by Christ and the one who violates this who ever it may be, even a great prophet should experience the everlasting fire. We should realize that every one of us has a birth on this earth only to fulfill the will of God and born with a purpose. The ignorant could not get this secret and boasting themselves on this temporary world. They made themselves as slaves to their desires. Those who are practicing on the doctrines of the Bible should lower themselves and rest at His feet to become the inheritors of Bible's knowledge. Only the one who is raised by the god will get higher status in this world. But the one who wanted to be eminent among people with their support will one day be thrown out by the same people.

As far as I am concerned I feel proud to say that I am still a student in learning Bible. Those who do not have the great knowledge of the Bible may consider me as a professor. But I m still a learner. I am grateful to our Father that this humility made me eminent among people. You should know this why God has bestowed only upon me this much of knowledge. I plead on this occasion that all my students of Bible should have this type of feelings and become great.

Mordecai had adopted Ester as his daughter after the death of her parents. God made him as role modal, as an exemplary for us even before Christ and wanted us to know the greatness of his life. This will take us to the history of Morde – Persia. The two chamberlains of Ahasuerus, the emperor Bigtan and Teresh conspired to kill the emperor. Mordecai informed this to Ester and she in turn gave the message to the king and saved his life. But Mordecai did not expect any reward for his act. God blessed him at right time. When the race of Jews was going to extinct the king was made to read the information from the book of records of Chronicles. Mordecai was taken in royal apparel and crown on the horse back through the streets in the enemy's country. Haman who conspired to kill him was taken to gallows.

**Mordecai left the king's presence wearing royal garments of blue and white, a large crown of gold and a purple robe of fine linen. And the city of Susa held a joyous celebration.**  
**Esther**  
**8:15.**

**Humble yourselves, therefore, under God's mighty hand, that he may lift you up in due time.**  
**1 Peter**  
**5:6.**

Mordecai was a righteous leader. He unearthed / cracked the conspiracy of Satan who attempted to commit genocide of Jews with the help of Haman, so that there would not be the birth of Jesus in the future generation. Mordecai adopted Ester on a noble cause. He never craved for power, leadership or greatness in the world. Without yielding to the temptations of this human life, prepared himself to sacrifice his life in the mission of saving Jews. Infact he was a great soldier. Hence he stood in the history as one who was glorified by God. The Bible shows a great many examples of such gracious men who did not wish for things on the earth but waited to reach the great city of God in the other world.

The present Christian generation should make a point that they have an obligation of saving the heathens who do not know the Father. But they are committing a mistake being voracious of transitory things on the earth. There are other examples too in the Bible. Paul and Barnaba were neck deep in the enjoyment of their power and affluence before they knew Christ. But after identifying themselves as Christians they considered everything on the earth as dung and dust. Now people who are penniless call themselves as Christians only with an aim to earn fame and money and struggling hard for them. My sincere plea to all my university members who acquired the great knowledge is that they should strive for the favour of God by performing according to the will of God. What I said till now should be lessons to those who work for the contentment of people rather than for the happiness of God.

**Am I now trying to win the approval of men, or of God? Or am I trying to please men? If I were still trying to please men, I would not be a servant of Christ. Galatians 1:10**

We should hold Bible to walk with God but not to live on this terrain. As far as I am concerned statement of Paul 'to live is Christ or death is preferable', is ideal and modal for us. Hence the glory for the children of God should come from God only not from people because people who extol you today will detest you tomorrow.

**On the contrary, we speak as men approved by God to be entrusted with the gospel. We are not trying to please men but God, who tests our hearts. 1 Thessalonians 2:4**

**For by the grace given me I say to every one of you: Do not think of yourself more highly than you ought, but rather think of yourself with sober judgment, in accordance with the measure of faith God has given you. Romans 12:3**

**Bless those who persecute you; bless and do not curse. Rejoice with those who rejoice; mourn with those who mourn. Live in harmony with one another. Do not be proud, but be willing to associate with people of low position. Do not be conceited.**

**Romans 12:14-16.**

All those who partake in the work of God's empire should abide by the regulations established by God. After learning a few words and acquiring little knowledge you should not forget and break up yourself from your teacher who taught you the same and from God. People rebel against the teacher and say that they too are in God's service; they separate themselves, speak as they like and move against God. There are many references in the Bible regarding such people.

**Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment. 1 Timothy 6:17.**

**Obey your leaders and submit to their authority. They keep watch over you as men who must give an account. Obey them so that their work will be a joy, not a burden, for that would be of no advantage to you. Hebrews 13:17.**

**Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God. Consequently, he who rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgment on themselves.**

**Romans 13:1,2.**

**Anyone who receives instruction in the word must share all good things with his instructor. Galatians 6:6.**

It is said that the punishment is inevitable if you do not do justice to the God's knowledge that is given to you and fight against God. One should be grateful that you are blessed with knowledge when you are wandering blind. One should await the praise of God but should not declare war against the one who spreads God's word with authority. It should be noted that the present Christianity is split because of such unfaithful ones. The curse of God would fall on such people who slowly enter the school, learn a few lessons from the philosophical education and rebel against the elders to establish themselves amidst public for fame and money and open a second counter. A severe punishment would fall on those who disrupt the dream of our Father by instigating negative feelings of creed, region and sect. this is given in the following reference. Do not think that this is for the people belonging to other religion and not relevant for us.

**Not many of you should presume to be teachers, my brothers, because you know that we who teach will be judged more strictly. We all stumble in many ways. If anyone is never at fault in what he says, he is a perfect man, able to keep his whole body in check.**

**James 3:1,2.**

Revolting against the leader under the delusion that they are wise, can give sermons and write books is similar to fighting against God. One has to pay greatly for God if one separates few innocents with negative aims. Whoever realizes the wish of God and sacrifice himself for the cause and walk with God is really working under the command of God.

**Dear children, this is the last hour; and as you have heard that the antichrist is coming, even now many antichrists have come. This is how we know it is the last hour. They went out from us, but they did not really belong to us. For if they had belonged to us, they would have remained with us; but their going showed that none of them belonged to us. 1 John 2:18,19.**

## **Beloved ones!**

Those who dejected us are going against God and undergoing the punishment of God and are destroyed. You know that we have been reviving the revolution of 1900 years back and undertaking various programs which nobody had done till now for the people. We are appointed high to perform God's wishes like conducting great meetings with challenges, TV episodes, sponsoring and nurturing preachers, national conferences, university colleges, gospel at every doorstep, societies at every home, writing books, distribution of pamphlets and ultimately saving souls. You also know that those who left us and fighting against are nowhere. Malicious friendship spoils one's good conduct. I close the autobiography of Jayashali with one advice. Do not go behind false statements. If you really work for the cause of the Father be with us and support us. May God bless you with the affluence of God's knowledge.
